Hurrah! Hurrah! Hurrah!

For spring, the nice days and Henley's Suits,

Pants and Spring Overcoats. The grandest,

the most stylish and the cheapest, consistent

with the quality, that ever came into this

or any other town or county in this part of

the state. My lowest prices on pants for

this season will be \$7.00. If you want a

pair of pants for less than \$7, go to the

ready made clothing house, where you will

get a better pair than any tailor can furnish

you for less than that money. My

highest priced pants are \$14.00. Come and

look at the goods. Do not be deluded into

the belief that you can get anything that is

first class for less than it is worth. Tailor-

ing is no exception to the rule. A man that

is capable of doing first class work cannot

and will not work for less than his labor is

worth. Bear that in mind. On the other

hand, a man that is not able to do first class

work must work for low price, else he will

not get anything to do. The people of Paw

Paw were long pestered with cheap tailors.

Do not encourage them any more. The

world is advancing in every art and science;

the people around us are progressing in all

that tends to make sweet to man the burdens

of life itself, and bear in mind that nowhere

are those strides more manifest than at

HENLEY'S Tailoring Establishment, now

the best and most artistic in south-western

Michigan. Yours Etc.,
